Working Hours

Employees normally coordinate working hours with their manager and team. Teams may establish shared collaboration hours for meetings and support coverage.

Paid Time Off

Employees should request planned vacation in advance through the company leave system. Managers review requests based on team coverage and business needs.

Remote Work

Approved employees may work remotely according to their role and team policy. Company information must be handled only on approved devices and services.

Sick Leave

Employees who are unable to work because of illness should notify their manager as soon as practical and follow the applicable leave process.

Professional Conduct

Employees are expected to communicate respectfully, protect confidential information, avoid conflicts of interest, and follow company security policies.

Security Responsibilities

Passwords must not be shared. Multi-factor authentication must be enabled where required. Suspected phishing, lost devices, and unauthorized access should be reported promptly.
